Eligibility / Details: Effective January 1, 2024

Valid for current VTI Accounts only. Program discounts cannot be combined with any other program; only one discount per order applies (if account has a Multifocal or Universal Bank, they are not eligible to participate in the Inventory Programs). Program is location specific. Only the account location that purchases the inventory will receive the lock-in pricing. See your distributor representative for any additional options. Should inventory purchase be returned, lock-in pricing will be discontinued, and regular list pricing will be activated. No limitations as to number of inventories purchased annually. Prices and Programs subject to change without notice. All dollars listed in USD.
