

May 15, 2023

Dear Valued Customer:

We appreciate your business and remain committed to providing an array of color contact options through our **AIR OPTIX® COLORS** and **DAILIES® COLORS** contact lenses for you and your patients to discuss.

As we continue to refine our color contact lens offerings, Alcon will **discontinue FreshLook® COLORBLEND® on September 29, 2023** and will continue to fulfill orders until that date.

The final Eye Care Professional return date will be October 31, 2023. Please follow the normal Alcon Returns Policy or contact your Authorized Distributor.

- Only purchases made directly from Alcon or an Alcon authorized distributor are eligible for return.
- Documentation may be required to verify the original purchase.
- All returns must be in factory-sealed, undamaged, unmarked boxes.
- Expiration dates must be no less than six (6) months from the date of request at either our Distribution Center or our authorized distributor.

For product purchased directly from Alcon: All product returned to Alcon should be mailed with a Product Return Form to:

Alcon Vision, LLC
Attention: Return Goods Department
11460 Johns Creek Parkway
Johns Creek, GA 30097-1556

For Authorized Distributor Return: Please reach out to your distributor for questions related to any requested returns.

We very much appreciate your business and want to thank you for your continued support of Alcon and our brands. If you have any questions, please contact your Alcon sales representative.

Sincerely,

A handwritten signature in black ink, appearing to read "Sean Clark".

Sean Clark
General Manager, US Vision Care

Important information for AIR OPTIX® COLORS (lotrafilcon B) contact lenses: For daily wear only for near/far-sightedness. Contact lenses, even if worn for cosmetic reasons, are prescription medical devices that must only be worn under the prescription, direction and supervision of an eye care professional. Serious eye health problems may occur as a result of sharing contact lenses. Although rare, serious eye problems can develop while wearing contact lenses. Side effects like discomfort, mild burning or stinging may occur. To help avoid these problems, patients must follow the wear and replacement schedule and the lens care instructions provided by their eye doctor.

Important information for DAILIES® COLORS (nelfilcon A) contact lenses: Contact lenses, even if worn for cosmetic reasons, are medical devices that must only be worn under the prescription, direction and supervision of an eye care professional. Serious eye health problems may occur as a result of sharing contact lenses.
